Our Mission: The Walker Scottish Rite Clinic for Childhood Language Disorders of St. Louis, Inc. is committed to teaching two through six year-old children with speech and language disorders the communication skills necessary to succeed in school and throughout their lives. This goal is achieved through early identification and long-term therapy and by training parents in techniques to use with their children at home.

Tribute to a Visionary - Earl E. Walker

Everyone has their own Earl Walker story! He was a man who could entertain you, motivate you, challenge you, and most of all inspire you. At age 91, he still went to work six days a week, starting at 6:00 AM! Talk about inspiring!

As one of the visionary founders of The Walker Scottish Rite Clinic for Childhood Language Disorders, he will be remembered for many things.

As a leader, he excelled at pulling people together on projects. In 1986, as he, Les Denney and several other Scottish Rite leaders set out to start a clinic for speech and language disorders, they could hardly foresee the thousands of children they would assist (more than 15,000 to date). Earl was chosen to lead the new agency’s board of directors and held that position until his death in August 2011. He brought many leaders onto the board and wisely utilized their talents. Over its 23 years, the Clinic grew, expanded its service hours, added more therapists, expanded to new locations, utilized vans to get to outlying areas, added Headstart locations, included services to Spanish-speaking children and always kept an eye on the Clinic’s mission to help both the child and the parents.

As a family man, Earl was a caring father, grandfather and great-grandfather. He and Myrtle had four children, Mary, Tom, Nance, and Peggy, all successful in their own right. There are many great family stories from weekends at the lake house in Cuba, MO and from holidays and family gatherings.

From the Director’s Desk

As the year moves towards it’s close, we reflect back on a pivotal year. Our 2011 Clinic journey has been an eternal flux of external moments, the energy of a team of many engaged in a common goal, the training and commitment to proceed forward and the knowledge that, whatever the outcome, the road was traveled with clear intent.

2011 began with the formal signing of the Maryville University Partnership with the Clinic. A day well heralded as the vision of the Clinic’s tomorrow was crafted through the direction and philanthropy of Earl and Myrtle Walker and the guidance of the Clinic Board of Directors. The year has been spent looking at all Clinic processes, program delivery and outcomes to assure a strong, viable Clinic to serve an every-growing list of children in need of speech-language therapy.

2011 has brought changes internally as well -- with four of our team having beautiful new babies (2 this year, 3 early next year!) and Diane’s journey towards retirement (although I doubt retirement equals couch time for Ms. Diane!) and the anticipated addition of two new part-time Development team members, our Clinic family is growing. As with the cycle of life, 2011 also brought the passing of 3 important Clinic women who have been advocates for the Clinic since the very beginning - - Alice McLain, Lorraine Lyles and Mildred Gilmore - - all three Scottish Rite Masonic wives and purpose-filled women who have shared their gifts for the betterment of the Clinic.

2011 brought two exciting new events - - Pull 4 Kids & the 52 Club Party with a Purpose - - to our realm with much enjoyment to all participants and appreciation to event committees while raising funds to support Clinic services. As we speak, we are still winding down from the 17th Annual KidTalk Celebration/Speak up 4 Kids which is always a wonderful gathering of Clinic friends and Clinic families where stories gather and the spirit of philanthropy abounds to raise funds for Clinic programs.

2011 brought an impactful game-changer with the loss of our beloved Chairman and Co-Founder, Earl E. Walker. While there will never be enough words to encapsulate the life-force of this joy-filled man, the blue print for the Clinic’s future was drafted in his hands. The Clinic Board are the architects of this vision and, together, with help from our families, community and partners, this dream continues. Earl E. Walker lives on eternally through each of our 15,000 children served to date and the generations of children yet to be served through the Walker Scottish Rite Clinic.

The Clinic approaches our new tomorrow as a team engaged in a purpose-filled vision with great anticipation of our coming year.

In Partnership,

Sheri Mistretta, Executive Director sheri@srclinic.org

You will be Missed!
He just talked in ‘mumble-jumble’ and it took a lot of effort to understand what he was trying to say. Aidan was only two, but we knew he needed help,” said his mother, Tammy. “We took him for his 2-year check-up and the doctor confirmed his need for speech/language therapy. His older sister, Madeline, had been through the Walker Scottish Rite Clinic’s Elsberry office in 2008, so we took Aidan there. Miss Brandy (Harrelson) had Aidan saying words we could all understand in a matter of two-three months. Our family was stunned at the progress! We can’t say enough good things about Miss Brandy, she is just wonderful with the children.

Brandy had some kudos of her own, “Mr. and Mrs. Burke do an excellent job of working with Aidan’s speech sounds at home. He has made great progress in a short amount of time due to his hard work. He practices each therapy session and works hard, no matter how difficult the task is. He is an ideal speech student.”

Aidan is dedicated to the task. He and mom, Tammy, practice with his ‘word cards’ twice each day and he and Dad have special time together at bedtime reading stories. Aidan has earned several books in the Clinic’s Take Time to Read program. The program offers a new book to a child when the child and an adult have read ten books together.

During therapy, Aidan loves to play the “Diggity Dog” and “Let’s Go to McDonalds” board games to improve his communication skills. His family helps Aidan when they hear him make a mistake by asking him, “Is that how we are supposed to say that?” He quickly recognizes the mistake and corrects it. “The impact that the Walker Scottish Rite Clinic has had on our family is immeasurable. A blessing beyond belief, for sure.” concluded Tammy.

Aidan is expected to graduate with ‘age appropriate’ speech and language skills in just a few months. Our hat’s are off to this delightful and determined young man!
New Board Officers

With the passing of Earl Walker, the Clinic’s board of directors enacted its succession plan and Edward J. Kellogg, vice chair of the board, became the new chairman in September. The vice chair position is now held by Alden (Bud) Hacker, and Howard Hurwitz remains as treasurer. With the resignation of Mark Lyles, retiring recorder, John Siscel was elected to fill that position.

Mark Lyles Named Emeritus Board Member

Mark Lyles submitted his resignation in August after he and Lorraine moved to Kansas to be with their son Mark and family. (Sadly Lorraine passed away in October.) The board immediately voted Mark an Emeritus Member of the Board for giving more than 20 years of service to the children and the Clinic. At age 95 (Nov 13) Mark continues to be an inspiration to all! CONGRATULATIONS, Mark for being such a wonderful board member!

New Board Member

At the September board meeting, Greig Gatzert was elected to the board of directors to complete the term of Mark Lyles. Greig is a third-generation mason with a proud history of service to DeMolay, Scottish Rite and the Shriners. He and his wife, Cassandra, have two children, Chelsea and Garrett. Greig is vice president of Double G Brands, Inc. in Eureka. Upon his election, Greig noted, “Serving on the board of the Walker Scottish Rite Clinic is an honor. It affords me the opportunity to perpetuate the goal of this Clinic...helping children with a need!” We welcome Greig to the board of directors!

Staff Transitions

Development Office Changes

On December 31, 2011, Diane B. Ludwig, CFRE, Development Director for the Clinic for the past seven and a half years, will pack up her desk (if she can!) and head into retirement. Diane will be moving back to her hometown of Fulton, MO to join family and friends and enjoy her newly remodeled condo. “My time at the Clinic has been some of the most rewarding of my 28 years in fundraising,” Diane noted. “Getting to see the impact of the services on the children and seeing lives change within months has been tremendously inspiring! And getting to work with Mr. Walker and our great board of directors these past years has been quite an honor. I will miss it all tremendously! I’ve already got KidTalk Celebration 2012 on my calendar, so I’ll be back for visits.”

Taking over the development director duties on January 1, 2012 is Mona Monteleone, Clinic’s development coordinator for the past three years. “It has been a privilege to work with Diane and have her as a mentor over the last three years. I look forward to my new position the new additions to the development team and what the future holds for the Clinic.”

The development office will also be welcoming two new part-time employees, one for data base coordination and one for special events. “Transitions are both challenging and exhilarating,” noted Sheri Mistretta, Executive Director. “We wish Diane well in her new life and look forward to Mona and her new team continuing our many development efforts to fund the programs and services of the Clinic.” Happy Retirement, Diane! Congratulations, Mona!
**Party with a Purpose for 52 Club**

Earl Walker loved the 52 Club! He created it in 1998 to help grow an ongoing stream of income to fund clinic services. As a good friend to Earl and Myrtle Walker, Barbara Albrecht, a 52 Club member herself, wanted to help grow the membership. So she decided to coordinate a *Party with a Purpose!*

On the evening of September 29, 2011, Barbara hosted a cocktail party at Sunset 44 Bistro in Kirkwood. More than 30 people attended, including a special visit from Myrtle Walker. The party was a great success! The purpose was to sign up new 52 Club members - - - that too was a success! In total, more than 19 new members were added bringing the total membership to 220!

Our sincere thanks to Barbara for helping the Clinic and its children.

**New 52 Club Members from the Party with a Purpose**

Barry and Jackie Albrecht  
Curt and Lori Albrecht  
Doug and Ann Albrecht  
Ted and Nichole Albrecht  
Jon and Peggy Dunham  
Greig and Cassandra Gatzert  
Ken Goldman  
Nancy Guyton  
Don and Carol Helm  
Bonnie Hurwitz  
Sheila Levi-Clutts  
John and Anita O’Connell  
Walter and Karen Sawicki

See page 11 for a complete list of 52 Club members

**52 Club Membership Levels**

$5 a week = $260 a year  
$10 a week = $520 a year

Payments may be made monthly, quarterly or annually. Contact the Development Office at 314-533-7415 to sign up or used the envelope enclosed in this newsletter. **Help the children every week of the year!**

**Wish List**

The following items, supplies and program materials are used regularly by the Clinic. Donations are appreciated as they help us stay within budget. You may bring the actual items to the Clinic or call or email Sharon (314-533-7415; sharon@srrclinic.org), tell her what you want to purchase from the list, and then just mail a check or put it on your credit card. We sincerely appreciate ALL in-kind gifts.

The day was sunny but chilly as more than 52 people participated in the Clinic’s first ever benefit trapshoot, Pull 4 Kids, event at the Gateway Gun Club in Bridgeton. Members and instructors from Lindenwood College’s Shooting Club were on hand to provide safety training for each person and to guide the teams of five through the morning of shooting.

This new event was headed by Frank Mistretta assisted by Bret Akers, Joe Dale, Kirk Hutchison, Rich Lecinski and Joe Roeser. “We wanted everyone to come out and have some fun, support the Clinic, and try their luck at shooting clay pigeons. Feedback has been good and we feel we certainly accomplished our goal” said Frank.

Major sponsors for the day included: The Kellogg Family, Garlic LLC, Mistretta Chiropractic, and Richard Lecinski. In total, the event grossed $6,500 for Clinic programs and services. Many THANKS to the Trapshoot team!!

Ed Kellogg (l), Clinic Chairman thanks Frank Mistretta for his many efforts in making Pull 4 Kids a success.

Meet a Clinic Child - Matthew

Matthew is into all things “boy,” from Cars (the movie) to Transformers to Angry Birds. He’s always into the latest fad in toys. Matthew also likes to collect things, such as all the characters from Cars.

Now six (6), Matthew has been in speech and language therapy for over four years. From age two through four and a half, he received services at Cardinal Glennon Hospital. He came to the Walker Scottish Rite Clinic in March of 2010.

Matthew has a diagnosis of apraxia of speech (a motor planning speech disorder). He has plenty to say, however it can be difficult to understand him. Miss Carrie (Barry), his therapist, has worked with Matthew on the “L” and “L-blend” sounds and he has made very good progress. While working on the palatal strident sounds (“sh, ch, j”), it was discovered that Matthew has an underbite. This issue always needs to be addressed by a dentist/orthodontist before speech therapy can help completely.

The most recent focus for therapy sessions has been the “R” sound. This is a difficult sound for many children, and it is made even more difficult for Matthew with his motor planning speech problems. He and Miss Carrie are taking the sound one step at a time and have been able to make significant progress on the “R” sound in words, phrases, and sentences. “Matthew is working hard to be able to produce other types of “R” sounds such as ear and oar,” noted Miss Carrie. “He is a willing learner and has a great attitude. He makes me laugh in every session we have.”

Matthew loves almost all board and card games – which makes therapy time a good time for him. One of his current favorites is Sponge Bob Ants in the Pants. He also really likes the game Cootie. And, of course, he really loves it when he wins! Matthew’s prognosis is good, however he will likely need continued speech therapy even after he turns seven (7) and can no longer receive services through the Clinic. He has a very supportive family. Noted mother, Denise, “Not only has Matthew’s speech improved greatly since he has started therapy at WSRC but his improved knowledge of the alphabet and his ability to associate sounds to words has given him an advantage in school. Matthew has gained much self confidence since he has been attending therapy, He is not inhibited by his speech in anyway, as a matter of fact, he now talks non stop. Quoting one of Matthew’s favorite super heroes “To Eternity and Beyond.”
Remembering Earl E. Walker

(February 12, 1920 - August 26, 2011)

I'll always remember Earl as being concerned about the people around him and how he might be of help to them. (Don Bowers, Board of Directors)

When I think of Earl, I think of a true, honest and faithful brother and friend! (Bob Cockerham, Board of Directors)

I'll always remember Earl for his deep compassion for children and the hope he placed on their shoulders for our future. (Joe Dale, Board of Directors)

Mr. Walker was a very generous and caring person. I think of him a lot! (Sharon Young, Clinic Office Manager)

Mr. Walker will be missed by so many, but especially all the people he reached at the Clinic. (Brandy Harrelson, Clinic Therapist)

Earl Walker was a man who taught me much about life, living and giving. He was a great inspiration. (Diane Ludwig, Clinic Development Director)

Mr. Walker was a kind and generous individual. I will miss our visit where he made me laugh and surprised me with the latest Carr Lane trinket. (Mona Monteleone, Clinic Development Coordinator)

We all should have something that we do with our lives to help one another." (Earl Walker, 2011)

Earl Walker was a man of compassion, commitment and Service to others. His life left a footprint of good will for others to follow. (Sheri Mistretta, Clinic Executive Director)

I'm so proud to be part of an organization that was so near and dear to Mr. Walker's heart. May his legacy live on in the years to come. (Kate Bockhold, Clinic Therapist)

Mr. Walker's presence will be greatly missed, but we find comfort in knowing he is here in spirit. (Beth McCarthy, Clinic Therapist)

Mr. Walker's devotion to help those less fortunate will be felt for generations to come. His work at the Clinic will live on, as well as his memory. (Jacob Gutshall, Clinic Therapist)

I will always remember Mr. Walker's generosity and spirit. I feel lucky to have known him and to be able to help carry out his vision to help the kids at the Clinic. (Carrie Barry, Clinic Therapist)
Elsberry Outreach Site featured in Lincoln County Journal

In September, Sheri Mistretta, Executive Director, made a presentation to the North East Missouri (NEMO) Scottish Rite Club in Troy, MO. The focus was the Elsberry Outreach site and the children who attend each week. A child, Wesley, and his parent were in attendance at the meeting. The Lincoln County Journal did a photo and article following Sheri’s visit. Here, Brandy Harrelson, therapist, and Wesley take a break to pose for their photo in the journal.

Maryville Reaches Out - Students Assist at Clinic

On September 13, twelve Maryville students came to the Clinic site in the Scottish Rite Cathedral to volunteer. During the day, the students inflated 87 playtime balls, revamped the much-loved train table in the waiting room and touched hundred’s of books in the clinic’s lending library. MANY THANKS to them for getting a lot of things off our “To Do List.”

New Scottish Rite Members Tour Clinic

During the October Scottish Rite Reunion Weekend, new Scottish Rite members were given tours of the Clinic and got to meet therapist Sr. Margaret Guzzardo and executive director Sheri Mistretta. The group had many good questions and learned much about their new charity.

Clinic Baby Boom #2 Underway

Once again, the Clinic is being blessed with new little family members. On October 27, Beth and Ryan McCarthy, welcomed Kathleen Clare who joins big sister Molly (age 2 1/2). Kate, Steve and Luke (age 2) Bockhold added Genevieve Rose to their family on November 2. Still awaiting new family members are Carrie and Pat Barry in early January to join Ethan (age 7), Olivia (age 5) and Marin (age 2), and Mona Monteleone and Rick Lecinski expecting twins in late March to join Nora (age 2).

Scottish Rite Foundation of Missouri – A Strong Partner

A big Clinic salute to the Scottish Rite Foundation of Missouri for their continued support. The Scottish Rite Foundation provides funding all across our state within the 5 geographic “Valleys” of membership including Joplin, Columbia, Kansas City, St. Joseph and St. Louis. Through their ongoing support, our Walker Scottish Rite Clinic annually receives significant dollars to provide speech and language services.

A Tribute to Lorraine Lyles

Lorraine V. Lyles, beloved wife of Mark Lyles, long-time board member, was a dear friend to the Clinic. She and Mark were at all the KidTalk Celebrations and even celebrated their 50th anniversary at the 2008 event.

Sadly, after many months of illness, Lorraine passed away on October 21, 2011. A special memorial service was held at the Scottish Rite Cathedral for Lorraine on Sunday, November 13, 2011. The room was filled with those who knew and loved her. Lorraine was a faithful Clinic volunteer and supporter who will be greatly missed - - we will especially miss her great style and quick wit.

As a tribute to Lorraine, Mark is adding a silver leaf to the Clinic’s Giving Tree. Here, Mark and son, Mark, and wife, Linda, select the perfect spot on the tree for the new leaf.

SCOTTISH RITE FOUNDATION OF MISSOURI
EST. 1946
Giving With A Special Heart

Eddie and Millie Gilmore loved the Clinic and the children it served. Eddie knew first-hand what they were going through. As a young boy, Eddie was not able to speak well - and there was no clinic to help him. Kids teased him, school was difficult and life was often hard. So Eddie was passionate about the work we do.

After his death in 2001, Millie continued his passion. She volunteered for the Clinic, was a member of the 52 Club, a regular at KidTalk Celebration, and an advocate for the Clinic wherever she went. Millie was a ‘one-woman force.’ Her delightful charm brightened any room she was in. Her loss on November 4, 2011, at age 94, leaves a hole in all our lives.

As a forward-thinking couple, Eddie and Millie had made plans in their will to continue helping the children at the Walker Scottish Rite Clinic. While details are still pending, the estate gift they left will provide assets to help the Clinic do its work. Many children will be helped because of their thoughtful planning and caring hearts. THANK YOU Millie and Eddie! Your legacy of caring will live on.

Trivia Night Set for March

Mark your calendars now for Saturday night, March 3, 2012 and join us for Trivia Night 2012. We will again gather in the dining room of the Scottish Rite Cathedral for FUN, FOOD, and FANTASTIC TRIVIA!! Tables of 8, mulligans, auction items, raffles, prizes and more! Check our website in January for full details.
